ANOTHER HABEAS CORPUS CASE.—R. D.

White and Henry Johnson, the two colored men whose arrest under suspicious circumstances was mentioned in the Gazette some days since, were brought out of jail for further examination this morning. It will be remembered that Johnson admitted that he had stolen \$200 in money belonging to his father in Danville, and that White had stolen two suits of clothes from a dealer in the same place. As above stated they were examined this morning, and were defended by Charles E. Stuart, esq., Commonwealth's Attorney Johnson prosecuting. The Mayor re-committed both the accused for further examination, as it is understood that Mr. Brahm, the clerk from whom the suits were stolen, will be in this city on Monday next. It was the intention of the counsel for the prisoners to have secured out a writ of habeas corpus, but as Judge Lowe is absent from the city to-day, nothing can be done until Monday. The father of Johnson refuses to prosecute him for the theft.

RIVER NEWS.—The revenue cutter, Thomas Ewing, which was to have sailed for Christfield yesterday, hauled out into the stream, and still remains anchored there, awaiting orders.

The steamship steamer Arctigon is lying at Smoot's wharf, having been attached for debt by an Alexandria merchant.

The steamers which arrived here to-day had much difficulty in making their landings on account of the heavy northwest winds.

Very few vessels moving on the river now except small craft, mainly fish and oyster boats.

NEARLY A FIRE.—A stove in the dwelling house of Officer Randolph Purcell was upset yesterday by one of the legs being accidentally knocked out. The fire was smothered over the floor, destroying a carpet and making quite a blaze for a few minutes. The flames were, after some trouble, extinguished by the members of the family without giving an alarm.

THE WEATHER.—The weather last night and to-day has been very cold, in fact nearly as cold as any we have had at any time during the winter. Early this morning a heavy white frost covered the ground, and the cutters were covered with ice. In addition to the coldness, a strong westerly wind has been blowing all day, which seemed to chill pedestrians to the bone.

NEW WHARF.—We understand that parties are in negotiation with Judge Brent to obtain the privilege of erecting a wharf on his farm opposite Chapel Point. We hope that the negotiations will be successful, as a wharf at the designated locality will supply a great convenience to a large section of country, which now labors under great disadvantages in this respect. —Port Tobacco Times.

CONVALESCENT.—The many friends in this city of Mr. J. R. Johnson, of Arlington, will be pleased to learn that that gentleman has recovered from his late threatened attack of pneumonia and is about again. All of the members of Mr. Johnson's family whose illness was mentioned in the Gazette some days since are improving.

FISH REPORT.—The only fish received at Fish Town to-day, were about five hundred shad which sold at from \$21 to \$25 per hundred. They were large and in fine order. The fishermen are rather despondent to-day on account of the cold and windy weather, which is calculated to keep fish out of the river.

SUDDEN DEATH.—Miss Jane A. Johnston, daughter of the late Dennis Johnston, of West Grove, died rather suddenly yesterday, of congestion of the brain. She was one of the oldest residents in that part of Fairfax, and was perfectly well up to within a few days of her death.

LOCAL REVENUES.

The Alexandria Knights of St. Patrick returned from Washington at an early hour last night, being too much fatigued by their long march to remain up to the batteau. They were much pleased with the celebration in which they took part.

The Radicals of Jefferson District, Alexandria county, have elected John R. Bowers, Isaac Green and Ephraim Chan, delegates, and C. H. Grant, alternate, to the County Convention, to meet on the 28th inst.

Mr. James Chatham had at his livery stable this morning a fine Alderney bull, which was raised by Mr. Wm. Stonnell, near this city. It was on its way to the farm of Colonel John S. Barbour, in Culpeper.

The Maryland ferry steamer, Virginia, which has been on the ways at the ship yard for a day or two past, was launched this evening.
